FAMILY AND FILING ISSUES	YES	NO
<p>Did you take the standard deduction of \$13,850 (single) or \$27,700 (MFJ) listed on Form 1040, Line 12? If so, consider whether bunching charitable contributions and/or certain expenses (e.g., medical expenses and property taxes) into one tax year may allow better itemization.</p>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Are you married and do you want to protect yourself against liability issues, have a large disparity between your incomes, or have large itemized deductions? If so, consider preparing your tax return as both MFJ and MFS to compare the net tax liabilities. MFS may generate a smaller tax liability.</p>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Are you recently divorced or has your spouse passed away recently? If so, review your filing status (located at the top of Form 1040).</p>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Are you and/or your spouse age 65 or over (or are you or your spouse blind)? If so, you are eligible for a higher standard deduction of \$1,500 for each married taxpayer and \$1,850 for unmarried taxpayers.</p>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Did you owe more tax (Form 1040, Line 37), or did you receive a higher refund (Form 1040, Line 34) than expected? If so, determine if this is due to a unique circumstance (such as the sale of a highly appreciated investment) by comparing taxable income from the last two years' tax returns.</p>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Did you fail to withhold enough tax or did you underpay estimates? If so, review Form 2210 and Form 1040, Line 38, to see the amount of the penalty.</p>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Are you at least age 70 ½ and did you complete a Qualified Charitable Distribution? If so, make sure it is properly reflected, with the amount excluded on Form 1040, Line 4b.</p>	<input type="checkbox"/>	<input type="checkbox"/>

If so, ensure that it is treated as a rollover and not a taxable distribution by verifying that Form 1040, Line 4a or 5a, shows the amount of the rollover. Form 1040, Line 4b or 5b, should be \$0 if no taxable distributions occurred.</p>	<input type="checkbox"/>	<input type="checkbox"/>

A Message from our Founder, Amy Irvine, CFP®, EA, MPAS®, CCFC

I started Rooted Planning Group out of frustration, because I really wanted to help clients build their wealth in a "different" way than the traditional wealth management firm. We are an all-female, ensemble fee-only financial planning firm, and I established our firm to always act as a fiduciary. Our services include cash flow analysis, goal planning, debt reduction and planning, student loan planning, tax planning (and preparation), education planning, investment planning, employee benefits, and risk planning.

We typically work with professional women and couples who fall in the Gen-Y, Gen-X or late-stage baby boomer age range. A fair number of our clients are lawyers, engineers, and small business owners.

It is our greatest desire to help other women feel empowered about their finances. We strive to help people grow their wealth, which sometimes means we start in the negative, with the goal of growing to the positive.
